FROM:

[REDACTED]
Deputy for Operations, Facilities Management
Division, OL

SUBJECT:

Domestic Water Outage - NHB

1. Chlorination of Domestic Water lines at New Headquarters Building (NHB) will require an outage affecting all domestic water service at NHB.

2. The water outage is scheduled from 1600 hours on Friday, 5 February 1988 through 1600 hours on Sunday, 7 February 1988. Although water service is expected to be restored early on that Saturday, people should not drink water from water fountains at NHB during the weekend. Signs will be posted on all water fountains.
